Equality and Safeguarding Statements

This school and Devon County Council will only commit to policies and practices which will eradicate discrimination and promote equality for all, regardless of age, gender, disability, religion and belief, race and ethnicity and sexual orientation. This policy will be subject to an Impact Assessment which will be integral to all reviews.

We and our partners recognise that safeguarding is everybody's responsibility. Whether their interest is in all young people 'staying safe' in all aspects of our services, or whether they are working in specific areas of vulnerability, all staff will have appropriate training and induction so that they understand their roles and responsibilities and are confident in carrying them out. Settings, schools, children, young people and their parents or carers, or any member of the community should feel secure that they could raise any issues or concerns about the safety or welfare of children and know that they will be listened to and taken seriously. This will be achieved by maintaining an ethos of commitment to safeguarding and promoting the welfare of children and young people. This is supported by a clear child protection policy, appropriate induction and training, briefings on and discussion of relevant factors and refreshed learning in line with current legislation and guidelines.

Introduction

The purpose of the Policy is to ensure that there is clarity over those items which the school will provide free of charge in the course of education and for those items where there may be charge.

The Policy has been informed by the Department for Education Guidance "[Charging For School Activities](#)" which was last updated in October 2014.

Responsibilities

The Head of Education will ensure that staff are familiar with and correctly apply the policy. The Governors will review the policy from time to time to ensure that it meets with current guidance from the Department for Education.

Policy Statement

All activities that are a part of the school programme for teaching children at Orchard Manor School whether as part of the National Curriculum¹ or not will be provided free of charge. This includes any materials, equipment, and transport to take pupils between the school and the activity.

Voluntary Contributions

We may ask parents to make a voluntary contribution towards costs for activities during the school day² which entail additional costs (for example school trips). If the activity cannot be

¹The national curriculum is a set of subjects and standards used by primary and secondary schools so children learn the same things. It covers what subjects are taught and the standards children should reach in each subject.

² Under [The Education \(School Day and School Year\) \(England\) Regulations 1999](#), the school day is split into two half-day sessions, whatever time it starts and finishes. A school half day is any length of time up to 12 hours when the school meets, ending at noon or midnight that day. At this school, the session times are:

funded without voluntary contributions it will be made clear by the Executive Principal or teacher in charge of the activity when parents are informed about the plans for the activity. The Executive Principal or teacher will also make it clear to parents that there is no obligation to make any contribution.

No pupil will be prevented from participating because his/her parents cannot or will not make a contribution. However, if insufficient funds are available it may be necessary to curtail or cancel activities or trips.

From time to time we may invite a non-school based organisation such as a theatre company to arrange an activity or performance during the school day. Such organisations may wish to charge in these circumstances the school may ask for a voluntary contribution from parents.

Optional activities outside of the school day

We retain the right to charge for optional, extra activities provided outside of the school day. Such activities are not part of the National Curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school or part of religious education. Examples are sports activities, theatre visits and extended day services such as the before and after school club. Charges will be based on the cost incurred less any specific funding received.

Education partly during school hours

A charge will only be made for the activity outside school hours if it is not part of the National Curriculum, not part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school and not part of religious education.

A) Non-Residential

Where less than 50% of the time spent on activity falls during school hours, it is deemed to have taken place outside school hours.

B) Residential

If the number of school sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during school hours (even if some activities take place late in the evening).

Music Tuition

Charges may be made for teaching either an individual pupil or groups of any appropriate size to play a musical instrument or to sing. Charges may only be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s), or the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme (Wider Opportunities).³

Residential Trips

There will be no charge for:

Morning from 9.10am to 12.20

Afternoon from 1.20 pm to 3.35pm

 - part of religious education; and
 - supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

The school will charge for:

Board and lodging (the charge will not exceed the actual costs).

Remission

When parents are informed about a forthcoming visit, it will be made clear that parents who can prove they are in receipt of any of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit (provided you have an annual net earned income of no more than £7,400 as assessed by earnings from up to three of your most recent assessment periods);
- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- Support under part VI of the Immigration and Asylum Act 1999;

- Working Tax Credit run-on (the payment someone receives for a further four weeks after they stop qualifying for Working Tax Credit).

(The criteria that entitle families to an exemption from paying for the cost of board & lodging has been aligned with free school meals criteria.)

The Governors have agreed that children who are not covered by the Remission Policy above may be subsidised in accordance with need, as identified by the Executive Principal, so that no child is discriminated against. All applications for support/special consideration should be made direct to the Executive Principal.

Calculating Charges

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who are unable to or do not wish to pay.
