

# Autumn Watch 2018

## Orchard Manor School

Over the past few weeks, the children have been looking at wild life onsite at Orchard Manor School, focusing on the animal world...

We have talked about hibernation, food chains, and types of food and shelter animals will need to survive throughout the winter months...

### Birds

woodpeckers, herring gulls, owls, buzzards, robins, magpies, pheasants, partridges

### Rodents

mice, shrews, voles, moles

### Bugs

spiders, ants, bees, wasps, hornets, moths, butterflies, centipedes, millipedes, woodlice, ladybirds, slugs, snails

### Larger mammals

deer, cats, foxes, rabbits, hedgehogs, squirrels

### Amphibians

frogs, toads, newts
