

Orchard Manor School Newsletter

May 2021

What an exciting half term this has been!

We became part of the **Special Partnership Trust** community, joining four other outstanding and good schools across Cornwall and Devon.

We welcomed **Paul Donkersloot** as our Interim Head Teacher who will be working with us until we find our new Head Teacher who will start in January of next year and we have **launched our Social Media** sites.

This newsletter, you will notice is considerably shorter than what you may have come to expect and for that we make no apologies! We have introduced our Social Media sites just so that we can keep you all up

to date with the things that go on in the school on a daily basis, so you don't have to wait until the end of the half term to see what we have been up to!

So far it has been a great success and we have had lots of you signing up to see our posts, but we would like to see all of you dipping in to what we are doing during our day — please join us on whatever platform you would like to — Just click on the logos to the left. You will be most welcome and it will give you a snapshot of all the lovely things we do here at OMS.
