Dear Parents and Carers,

Coronavirus Update

Due to an increasing number of staff self-isolating, staffing levels are changing on a daily basis. Due to reduced staff levels, there will be some immediate changes within school including combining some classes and changes of staffing within classes. Due to these changes, we will be reducing and making changes to our curriculum.

If we have further reductions in staff tomorrow, we may need to consider a partial closure of the school or a full closure. We will inform you as soon as possible if this will be happening.

I am confident that you will appreciate the exceptional circumstances that we are currently facing and that our decisions are being made in line with government guidance and with pupils' safety and welfare paramount.

Yours faithfully,

Mark Rose
Executive Principal
