24th March 2020

Dear Parents and Carers,

Coronavirus School Update

In our continuing effort to safely manage the Coronavirus situation and protect our whole school community, we have decided to fully close the school on Friday 27th March 2020.

The school will be closed to everyone over the Easter holiday. We will continue to monitor any developments and follow the government's advice and guidelines, and of course, keep you informed about future school opening. We will remain closed after Easter to the vast majority of our pupils if there is no change in current guidance.

During this particularly challenging time, I hope that you stay safe and I send my very best wishes to you and your families.

Yours sincerely,

Mark Rose
Executive Principal
