Dear Parents/Carers,

It has been great to welcome pupils back to school this week. For many pupils, it has been a long time since they have been in school so it is really exciting to see everyone in person.

Reintegration week has gone really well, with the reduced number of pupils in school allowing staff to support pupils to transition back into school successfully and get used to the school's routines and expectations once again. I would like to thank parents for their support this week, enabling us to support our young people coming back into school following a long period.

We are even more excited about welcoming all pupils back to Orchard Manor School full time as of Monday (14th September). Staff have been working hard in preparation of the return of all pupils, ensuring that school is as safe as possible for pupils and staff.

In line with guidance, offsite day visits and activities are now permitted to take place. All offsite visits and activities will be carefully considered and staff will follow the school's guidance – see Offsite Activities guidance. If offsite visits require the use of school transport, the school's Use of Vehicle's Guidance will be followed. Both of these documents have been shared with you alongside this letter.

Once again, thank you for your continued support during these very strange times. We are delighted to be opening the school full time to all pupils.

Best wishes,
