Skills Builder Step 1 Training Area - Skills Builder Hub Educators Toolkit - Expanded Frame work 2022.pdf (skillsbuilder.org)	I listen to others and can remember short instructions The building blocks of this step are learning: Why recalling instructions matters How to concentrate and focus How to store and recall simple instructions <b>Reflection questions</b> When do you have to remember instructions? Why is it important that you do so accurately? When do you struggle to listen to instructions? What could you do to better listen to instructions?	I can tell when others feel positive or negative The building blocks of this step are learning: How to spot positive emotions How to spot negative emotions What events might lead others to have positive or negative emotions <b>Reflection questions</b> How can you tell when someone is feeling positive or negative? How can you tell what emotions other people are feeling? Aside from how someone looks, what else might help you to understand how someone is feeling?	I work well with others by behaving appropriately The building blocks of this step are learning: What behaviour means Behaviour which will never be appropriate How appropriate behaviour might vary <b>Reflection questions</b> What do you think appropriate behaviour means? Is appropriate behaviour the same in every setting? How can we know what appropriate behaviour looks like in different places? Can you give some examples of what behaviour is appropriate in different settings?	I know how to explain my feelings about something to my team The building blocks of this step are learning: Why it is helpful to explain how you are feeling Some bad ways of expressing how you are feeling Some good ways of expressing how you are feeling <b>Reflection questions</b> Why is it helpful to be able to explain your feelings to others in your teams? What should you be careful about doing when you talk about your feelings? Can you give any examples of when you have done this? What was the result?	I complete tasks by finding someone to help if I need them The building blocks of this step are learning: When do I need help Who can I turn to for help <b>Reflection questions</b> How does it feel when you need help? When do you ask others for help? Who can you turn to in different areas of your life for help? How do you know who the best people are to help you with different problems?	I imagine di and can say The building are learning Why it is he we imagine How to talk have imagin Reflection of What does i Can you thin when you h imagination Why is it he explain wha How can we imagine?
